

ADVISORY FOR CONSULAR SERVICES

Urgent attention regarding Coronavirus Pandemic:

Governor of California has recently announced for the closures of many business operations State-wide due to new surge of COVID-19 cases in California.

Following this announcement, the Consulate decided that its consular activities should remain open to render only essential or emergency services keeping the safety of service seekers and officials of this mission in mind. Service seekers wish to get services/information are advised to follow the guideline of the Consulate below:

- The office of the Consulate General shall remain open from 10.00 am to 1.00 pm to render emergency Services only;
- If it is not emergency service seekers are discouraged to visit the Consulate for in-person Consular Services;
- Services by postal/mail-in will remain active;
- Service seekers wish to take emergency services in-person should make prior appointment calling to the following **"Hotline numbers"**.
